Team Challenges

Image description: A black and white pictogram of a team in a huddle formation.

Throughout the event, Destination Imagination (DI) teams will be presenting their work on a **Team Challenge**. The Team Challenge falls in one of seven categories: Technical, Scientific, Fine Arts, Improvisational, Engineering, Service Learning, or Early Learning. You can learn more about this year's Team Challenges [on the DI website](#). Each Team Challenge has its own Presentation Site, or rooms specific to the Challenge. The size, seating options, and acoustics will vary greatly by Presentation Site.

Each team has an assigned **Presentation** time for Team Challenge. The February schedule can be found on pages 2-4 of the document titled **OREGON DI SHOWCASE PROGRAM**. A similar document, the final schedule for the Affiliate Finals Tournament will be available about 7 days prior to the event on March 14, 2026.

Teams should have any props, costumes, set pieces, etc. unpacked in the designated prep area and arrive at the Presentation Site at least 20 minutes prior to the assigned time in order to begin the check in process in the Prep Area. Teams participating in the Engineering Challenge may require extra time to check in parts of their solutions. In the Prep Area, the team will work with the Prep Area Appraiser to check in all of the props, costumes, and anything else that will be used in the team's Presentation. Only the team members and the Team Manager (their adult mentor) are allowed in the Prep Area. The **Presentation** is when the team members present how they solved their Team Challenge in front of an audience and a team of Appraisers (scoring officials).

A team's Presentation lasts eight minutes or less. The content of team Presentations will vary greatly, but it is likely you will see stories, scenery, costumes, and technical elements created by the team members. It is common for a team's Presentation to include lights, possibly including strobe lights and/or flashing lights. Team Presentations do often include loud noises or music. However, most Presentation sites do NOT have sound systems, so it may be hard to hear the team. Audience members are welcome to laugh or applaud as they see fit.

EXAMPLES OF PRESENTATION SITES

Image description: examples of two Presentation sites. The first is an elementary school gym with a student team and adults standing on the gym floor, and other adults sitting in the pull-down gym seating. The second picture shows adult appraisers and students standing in an elementary school classroom.

When the team members are done with their Presentation, the Appraisers will ask them a few questions before they leave. Audience members can remain in the Presentation Site during these questions. After speaking with the Appraisers, the team will take its Presentation materials out of the Presentation Site. At this time, parents and team supporters may help the team remove materials from the Presentation Site.

The site should be left as it was found, so if the team dropped prop debris, or confetti or other items, it must be cleaned up quickly so the schedule is not disrupted. Parents and team supporters may help with this clean up.

Instant Challenges

Image Description: The Instant Challenge logo for the 2025-26 season; in hand drawn art, a light blue minute timer or hour glass with wings

An **Instant Challenge** (IC) is a smaller Challenge that is a surprise to the team on the day of the tournament. An Instant Challenge may involve a task, a performance, or a combination of both. Instant Challenges usually last ten minutes or less.

Teams are given a specific time to present their Instant Challenge. The team, the Team Manager, and the Appraisers are the only people allowed into the Instant Challenge areas.

When a team has completed the Instant Challenge, the team members may be directed to a **Cool Down** room to discuss the experience with one another. Since many teams will utilize the same Instant Challenge at this event, teams ***must not*** discuss details of the Instant Challenge outside of the Cool Down room until after the Destination Imagination season has ended in May.

Spectators

Image description: A black and white pictogram of people seated in an audience.

Spectators, such as friends and family members, are welcome to attend this tournament. Spectators are welcome to attend any Team Challenge presentation. Please find the doors marked "Audience Entrance" at each Challenge Presentation Site.

Please note: At many Presentation Sites, doors will be closed whenever a team is presenting, so spectators may be asked to wait to enter the Presentation Site.

Spectators will **not** be allowed to attend any Instant Challenge presentations.

Instant Challenge Ta-Da!

At the Affiliate Finals Tournament, Teams will exit Instant Challenge and follow the arrows out into the Commons area of the school, where family and friends, as well as a

few volunteers assigned as photographers, will cheer and photograph each team. This is a place where Teams have fun and celebrate what they have accomplished.

Awards Celebration

Image description: A black and white pictogram of a medal with a star in its center.

There is no awards ceremony at the end of the Affiliate Showcase as Teams receive feedback, but not comparative scores.

The Awards Celebration will only take place at the end of the Affiliate Finals Tournament on March 14, 2026 **about 4 pm** in the Main Gym of Evergreen Middle School in Hillsboro, the site of the tournament. All teams and spectators are welcome (and encouraged!) to attend. Teams, Team Managers, spectators and Appraisers should sit in the bleachers pulled out for this purpose.

The following special awards may be presented: DaVinci Awards, Renaissance Awards, Spirit of DI Awards.

Place awards will be given for each Team Challenge, based on their Competition Level:

- Elementary Level (EL): Grades K-5
- Middle Level (ML): Grades 6-8
- Secondary Level (SL): Grades 9-12

Please note: Early Learning/Rising Stars teams (PreK-2nd grade) are in a noncompetitive division and are not eligible for Challenge-based awards.

The Awards Celebration is usually a high-energy event with lots of crowds and noise. Audience members are welcome to clap and cheer, and use ear defenders or ear plugs if the noise gets too loud for them.

Image description: previous Awards Celebrations that show spectators sitting in the bleachers, tables with medals, awards and balloons, adults standing to present awards (some in costume) and students with ribbons and certificates.

Other Tournament Events

During the tournament, teams and spectators are encouraged to watch and support other teams as they present their solution in a challenge. Other activities may include instant challenge games, or cheering for Teams as they enter the TA DA area.

Image description: a volunteer at a table with a grape crusher and supplies to build "protection" for a grape.

At the Affiliate Finals Tournament, Oregon DI sells pins – current or recent year sets from Oregon DI, as well as grab bags of older pins, usually from affiliates around the US and our International Teams. There are also auctions for paper plates that have sets from other affiliates. These are all optional activities, but Team Members and adults who participate enjoy it, and the sale of these pins is a great financial resource for Oregon DI.

Photos and Videos

Image description: Three black and white pictograms of a camera, cell phone camera, and a video camera.

Photos/videos of a team's Presentation may only be taken if the team has given permission. This information will be announced before the team begins its Presentation.

What to Wear

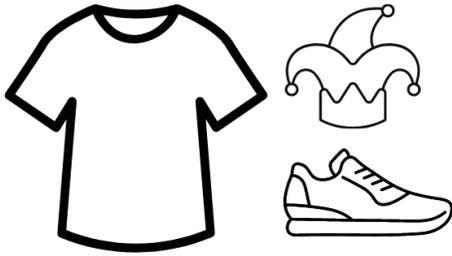

Image description: Three black and white pictograms of a t-shirt, a jester's hat, and a tennis shoe.

All tournament participants and spectators are welcome to wear comfortable, weather appropriate clothing. Our volunteers often wear vibrant, colorful clothing and hats to celebrate the event. It is also highly likely that you will see team members in costume for their Presentations.

If you are a person who prefers using protective equipment such as ear defenders, ear plugs, etc., it will be helpful for you to bring them with you to the event.

Image description: several adults in costume standing in a semi-circle in a gym. In this case, these are appraisers, adults who evaluate team performances, having fun at a tournament.

Scent Free Policy

Image description: A black and white pictogram of a perfume bottle that has been crossed out.

Out of respect to those with sensitivity to scent, please avoid wearing perfumes or colognes.

Inclement Weather

Image description: A black and white pictogram of storm clouds with lightning, rain, and wind.

If inclement weather will have any impact on the tournament schedule, teams will be notified via email or text message to Team Managers.

RAIN in Oregon is always possible and Teams need to be prepared to move their props, costumes and other materials from a parking lot to a protected area inside the Tournament. Preparing ahead of time (umbrellas, a tarp or plastic painters drop cloth, etc.) is always a good idea, *just in case*.

Emergency Procedures

Image description: black and white pictograms of an alarm light, first aid kit, and an alert sign with an exclamation point.

The fire alarms in the building have flashing lights and loud repetitive sirens. If the need for an evacuation arises, please follow posted exit signage to safety.

At the **Affiliate Showcase**, **fire extinguishers** are located in the following locations: Blue Gym, Elementary Gym, Community Room, Music Building, Cafeteria/Commons and Main Office Buildings. At the **Affiliate Finals Tournament at Evergreen Middle School** there are fire extinguishers located throughout the school, in central hallways.

At both the **Affiliate Showcase and the Affiliate Finals Tournament**, small **first aid kits** are available at the Appraiser Table at each performance site including Instant Challenge, as well as the Information Table at Registration. (outside the Main Office of each school site.)

If a medical emergency should occur, we will immediately call 911. Please notify the nearest tournament volunteer for assistance.
